

Planned activities and Workshops & Schools 2013

17 December 2012/JPR

A. Planned activities for 2013

- collecting the Membership fees from the Heads of institutes (KK, JPR)
- advertisement, evaluation and selection of the CHIPP Prize winner 2011 (GC + S-C)
- collecting the data and establishing/updating the CHIPP tables (TM, JPR)
- preparation and submission of the joint request for M&O LHC experiments (OS, JPR)

B. Future Workshops, Schools and other important Meetings in 2013

what	where	responsible person	when?
CHIPP PhD School <i>Experimental and theoretical aspects of LHC physics</i> http://cern.ch/chiochia/CHIPP2013	Grindelwald	V. Chiochia	20-25 January
Latsis Symposium 2013 <i>Forces of nature at the energy frontier</i>	ETHZ	Ch. Anastasiou	3-6 June
CHIPP Plenary	Campus Sursee	K. Kirch, JP. Ruder	24-26 June
SPS Annual Meeting	Linz	M. Pohl	3-6 September
WS on low energy precision physics	PSI	K. Kirch, B. Lauss, St. Ritt	9-12 September
Detector R&D	PSI	M. Hildebrandt	12/13 September
