Brussels (University Foundation), November 27th, 2017

◆ Further Items:

- At Lisbon meeting election of new NuPECC chair:
Marek Lewitowicz (Caen) will take over by 1st January 2018 from Angela Bracco (Milano)
 - Discussion of new Terms of Reference was launched at Lisbon meeting, will be continued at next meeting
 - possibility of having vice chair/deputies
 - possibility of new type of membership in between ‘regular member’ and ‘observer’ (relevant for Non-European labs with large European user community)
 - Modifications reflecting better the changes in relationship between NuPECC and ESF
- Next regular meeting: 90th meeting, Saclay, France, 6th, 7th October 2017
 - **Swiss membership:** Following Tatsuya’s mail SNF has in principle agreed to continue membership. They made a statement, that they have to formally approve payment each time the invoice arrives and may ask for a short report on NuPECC activities at this point. Invoice for 2017 was sent out by end of July.
