

***2010 CHIPP Prize  
for the best PhD student in Experimental or Theoretical Particle Physics***

All PhD students affiliated to the Swiss Institute for Particle Physics (CHIPP) are kindly invited to participate in the selection procedure for the *2010 CHIPP Prize for the best PhD student in Experimental or Theoretical Particle Physics*.

The Prize will be awarded to a graduate student who has not yet submitted his/her PhD Thesis by 30 June 2010. In the evaluation, emphasis will be given to the quality of the present scientific work and to its relevance within the student's research group, as well as to novel ideas possibly brought up by the candidate.

Applicants must submit their CV, Diploma Thesis, list of publications and internal notes as well as a report ( $\leq 15$  pages, including figures and references) outlining their achievements within the PhD work. In addition, a proposal/recommendation letter by the Thesis Supervisor and reference letters by two other professors or researchers not belonging to their institution shall be sent directly to the address given below. All papers and communications must be written in English.

The awarding ceremony will take place at the plenary CHIPP meeting that will be held in Gersau on 23/24 August 2010. The prize amounts to 3000 CHF. The winner will be asked to give a talk at the plenary CHIPP meeting presenting his/her current research activity.

More information on the Prize can be found on the CHIPP web page ([www.chipp.ch](http://www.chipp.ch)). Applications must be sent to the CHIPP Executive Board (EB) by 30 June 2010:
