

Beyond Einstein Physics for the 21st Century

13th General Conference of the European Physical Society

11–15 July, 2005

University of Bern, Switzerland

INTRODUCTORY LECTURES

"100 Years of Relativity", T. Damour (Bures-sur-Yvette, F)
"Attosecond Physics", F. Krausz (Garching, D)
"Brownian Motion", P.G. de Gennes (Paris, F)

THREE PARALLEL CONFERENCES

Photons, Lasers and Quantum Statistics

Relativity, Matter and Cosmology (with ESA, ESO and CERN)

Brownian Motion, Complex Systems and Physics in Biology

www.eps13.org

IMPORTANT DEADLINES

28 February 2005: abstract submission • 1 June 2005: registration and hotel booking

ORGANISING COMMITTEE

Chair International Advisory Committee: M. C. E. Huber (Villigen, CH)

Chair International Programme Committee: M. Ducloy (Paris, F)

EPS Conference Co-ordinator: C. Rossel (Rüschlikon, CH)

Chair Local Organising Committee: H. Balsiger (Bern, CH)

EPS Secretariat: D. Lee and O. Fornari (Mulhouse, F)

IN COLLABORATION WITH

CERN

European Space Agency (ESA)

European Southern Observatory (ESO)

Swiss Academy of Sciences

Swiss Physical Society

University of Bern
